

## CALL FOR POSTERS & YOUNG INNOVATION SUBMISSION

**NanoInnovation 2024, Conference and Exhibition**, will be held on September 09-13 in Rome, remotely and in attendance, at the Faculty of Civil and Industrial Engineering of "Sapienza" University of Rome.

Leading companies, research organizations and institutions active at national and international level in the development of nanotechnologies, will cooperate and contribute to **NanoInnovation 2024**, jointly organized by **NanItaly Association** and **AIRI - Italian Association for Industrial Research**.

NanoInnovation is a reference event for the wide and multidisciplinary community involved in the study and development of micro and nanotechnologies and in their integration with other enabling technologies (KETs) in all application fields.

The five-day programme is strongly oriented toward the **applicative aspects of nanotechnologies**, with contribution from acknowledged national and international speakers from academia and industry.

**Call for Posters submissions form is available on line in the reserved area of the conference website, which can be accessed directly by clicking [HERE](#).**

**Abstracts have to be prepared following the [submission guideline](#).**

Contributions should address scientific and industrial developments in application areas relevant to nanotechnologies and their integration with KETs, including:

*ADDITIVE and 3D MANUFACTURING | AGRI-FOOD | ADVANCED MATERIALS | CHIPS-MICRO-NANO ELECTRONICS | CULTURAL HERITAGE & RESTORATION | ENERGY & ENVIRONMENT | HEALTH & NANOMEDICINE | INDUSTRY 4.0 | INNOVATIVE and SMART TEXTILES | MICRO & NANO-FABRICATION | MICROSCOPY AND NANOCHARACTERIZATION | QUANTUM TECHNOLOGIES | SOCIAL IMPACTS & ETHICS | TRANSPORT, SPACE and AERONAUTICS*

Contributions will be selected by the Organizing and Steering Committees on the basis of the scientific quality, innovative aspects and of the relevance with respect to the conference themes and objectives.

Poster presentations are subject to a fee of **100 Euro + VAT**, to be paid before the event. A formal invoice will be sent according to the author's instructions in the online poster form. Poster submission without confirmation of payment will not be accepted. Finally, posters will be displayed in the exhibition area.

When submitting an abstract, you will have the opportunity to indicate your availability and interest for:

- an oral presentation, as a limited number of posters will also be selected for presentation in scientific-technical symposia. The applied and innovative nature of the contribution will be one of the selection criteria.
- Present your current research in **[YoungInnovation](#)**, declaring that you are under 35 years old. If the abstract is selected by the Scientific Committee, no participation fee will be charged. However, attendance at the Young Innovation session is open and free of charge, and only requires the mandatory online registration for the IX edition of NanoInnovation.
